"Legacy Partners is a small, growing real estate company in the business of acquiring tenanted properties and undeveloped parcels of land for the development of commercial projects. When we needed a loan recently to acquire a property, we found Wakefield Co-Operative Bank. The entire bank, and particularly Mr. Leo Barrett, VP of Commercial Lending, was very responsive. He took the time to meet with us and understand what we were attempting to do and then worked with us to get the funding in place very quickly."

"The commercial lending team's willingness to learn our business and to quickly respond to our lending needs has been a major factor in our continued success, and I would not hesitate to recommend the bank to anyone looking for a responsive and friendly lending source."
