To whom this may concern,

I want to thank Elaine Foley for helping me with the process and completion of refinancing my house. I was working with another company but they were not being very helpful and would not answer my questions fully.

Elaine made the process easy and everything was handled in a timely manner. She took the time to make sure I understood the agreements of the refinancing and took care of everything I needed. She was very professional and extremely helpful; I would not think twice to refer her to a family member or friend!

Sincerely,  
**Isabel D.**
